

DEMCON

nymus3D

Who we are

Visualization studio that combines scientific training with strong visualization skills

- Started in 2007
- MSc/PhD in biochemistry, theoretical physics & engineering

What we do

Helping people explain their research and product by creating visualizations that:

- Clearly and concisely explain a desired message
- Are scientifically correct
- Attractive in the way they look

Hubrecht
Institute

FUJi

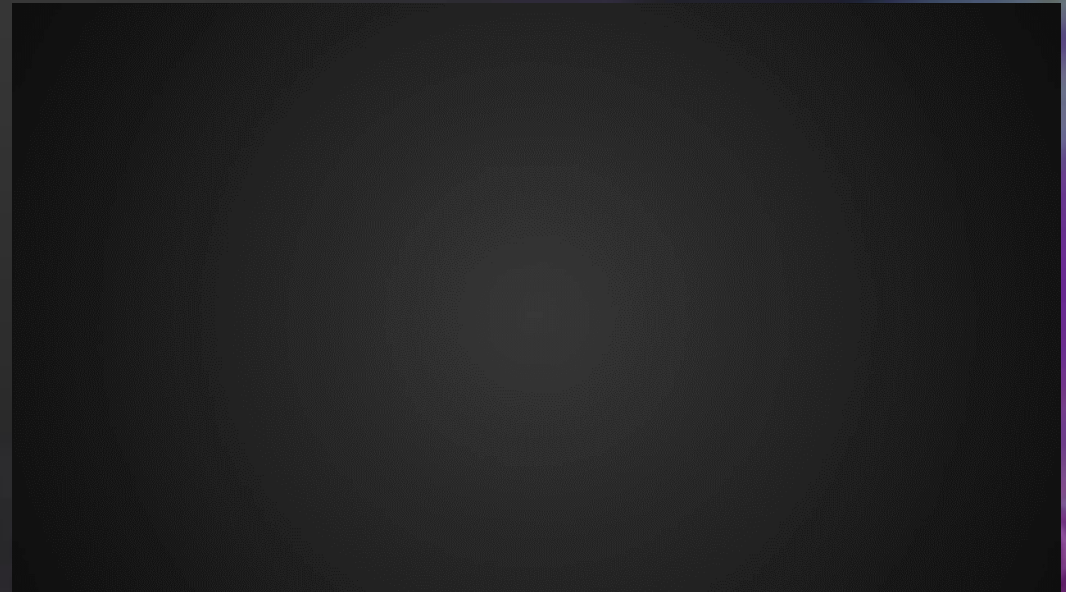

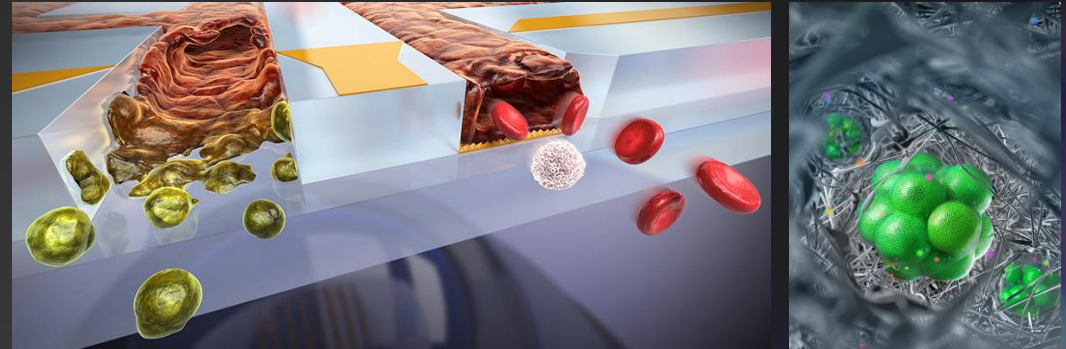

KATHOLIEKE UNIVERSITEIT
LEUVEN

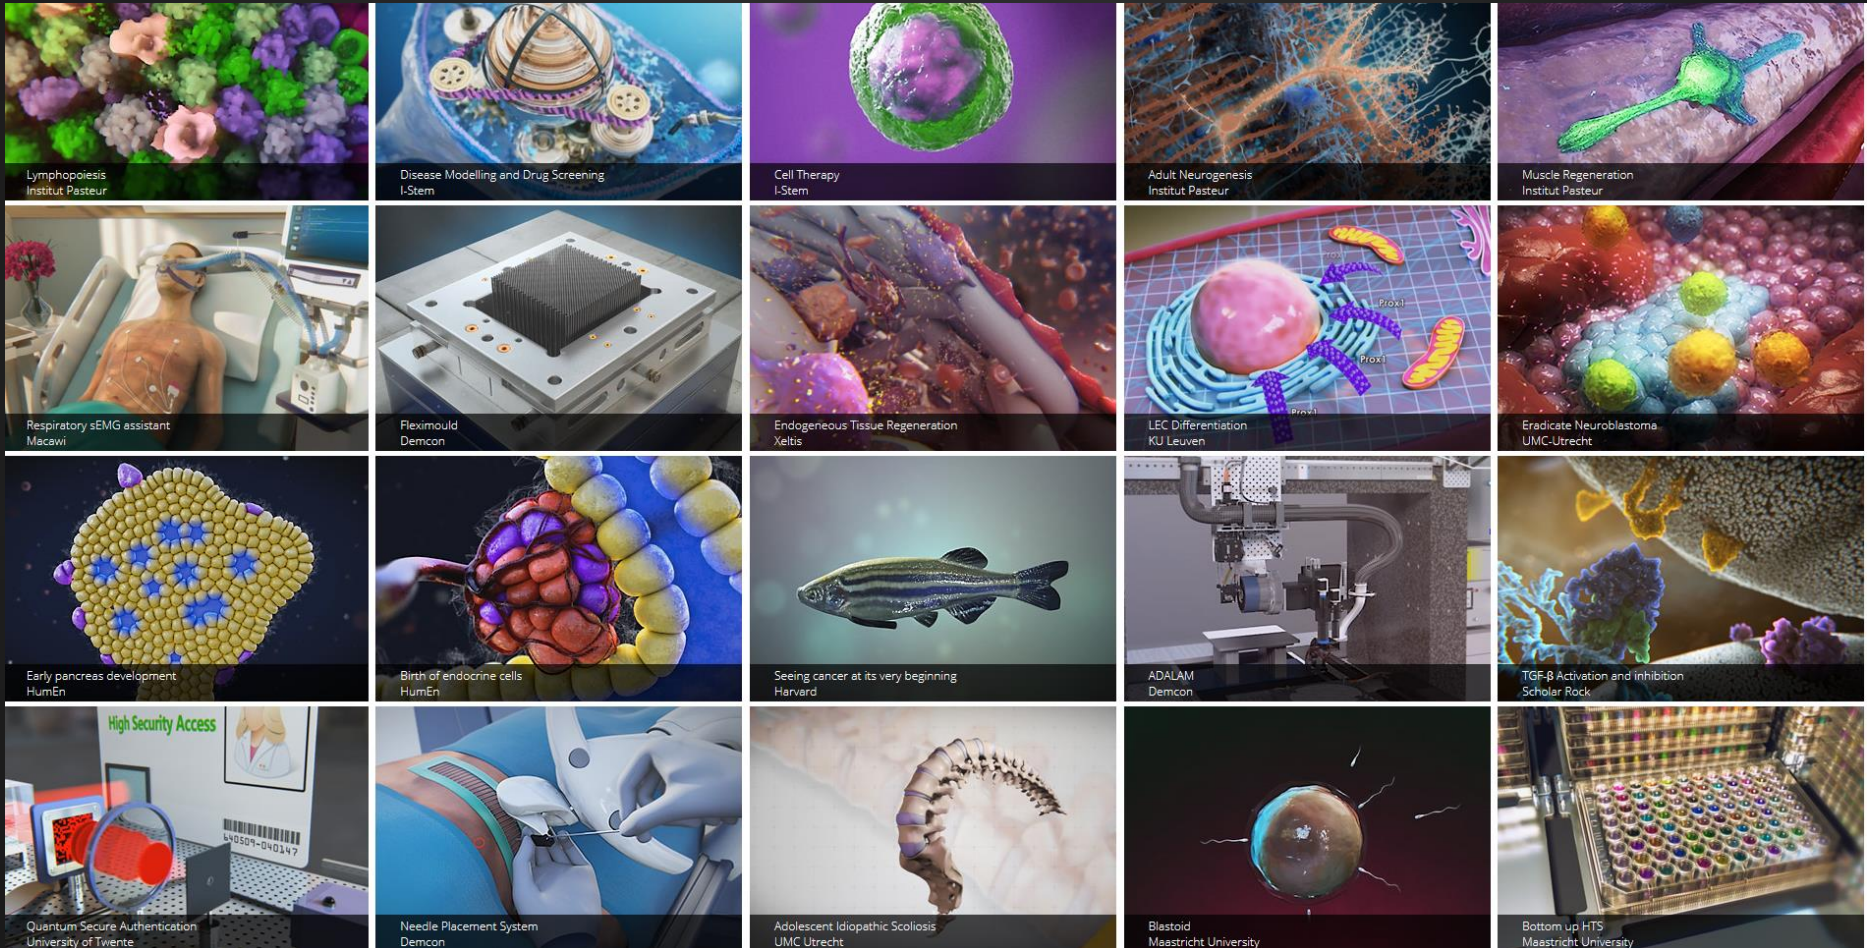

What we provide:

- Illustrations
- Animations
- Virtual Reality
- Interactive apps
