

ARE YOU A STRATEGIC INVESTOR?

WANT TO INVEST IN THE HUNGARIAN BIOTECHNOLOGY SECTOR?

If so, take a look at our latest recommendation:

Deuterium Depletion in Cancer Treatment and Prevention (Therapeutics)

Your contact persons: Project Contact: Bernadett Fodor – bernadett.fodor@itd.hu
Project Manager: Tamás Székely – tamas.szekely@itd.hu

In vivo deuterium depletion is a new proprietary procedure for the treatment and prevention of various types of cancer. The product is in the manufacturing, distribution and sales phase and is covered by four patents registered in more than 20 countries.

Investment capital will be used for:

- Production plant: €500,000
- Clinical trials: €1,000,000
- Basic research: €500,000

We believe this project represents an exceptional opportunity. The project owner is forecasting a return on the total investment of **€2,000,000** within 3 years. Potential investors are offered partial ownership in the company.

How can ITD Hungary help you?

As a one-stop shop, we provide potential foreign investors with high-quality support for key decision-making processes and an array of supplementary services from project preparation through implementation to after care.

In practical terms, this means you receive concise and comprehensive information tailored to your requirements on the local economy and business climate, taxation and the legal environment. We can also compile in-depth sector-specific overviews on request.

Once you come to a decision to see Hungary for yourself, we organise site visits and meetings with local, regional and central government bodies and introduce you to local suppliers, service providers and experts. When embarking on any investment project, taxation and incentives are key factors and our tax experts are on hand to offer invaluable advice and information if and when the need arises.

We will also assist you in selecting an appropriate site and guide you through the permitting process. We also prepare and explain incentives agreements and provide assistance when it comes to staff recruitment.

Even after the investment has been completed, you can always rely on our assistance for anything from an administrative problem requiring government attention or just advice on re-investments.
