

Halal Trade and Marketing Centre (HTMC)

2013 - Dubai Capital of the Islamic Economy Vision Announced

"If history is being written now, the future is being made here in the U.A.E. With the determination of our people, we are set to be the world's Islamic economy capital."

His Highness Sheikh Mohammed bin Rashid Al Maktoum
Vice President and Prime Minister of the UAE

Key Initiative: Halal Trade and Marketing Center

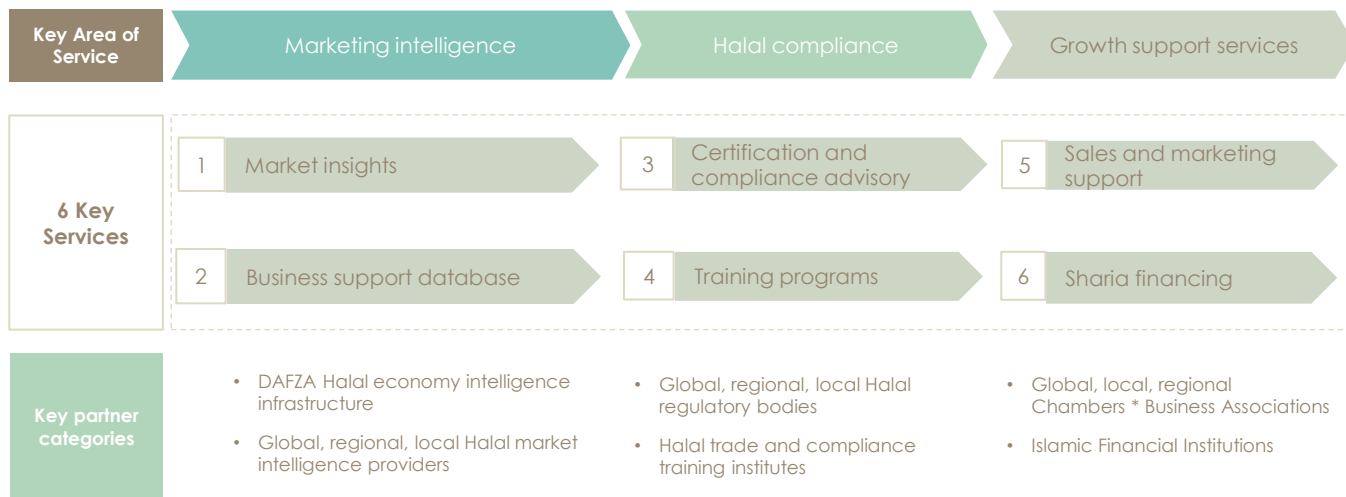

Your one-stop shop in
Dubai for your global
Halal needs

Halal Trade & Marketing Center (HTMC)

Purpose: The Halal Trade & Marketing Center (HTMC) is a global business development center focused on the Halal economy opportunities for manufacturers, suppliers, and distributors of Halal economy products and services. It is hosted by DAFZA but substantially supported by key partners across the Halal economy ecosystem.

Center Services Framework

Halal Trade & Marketing Center (HTMC)

Services Partners: We are providing the tailor-made services through the power of our services partner network. HTMC has more than 25 services partners from different sectors and countries, among them are trade promotion agencies, Halal accreditation bodies, specialist research advisory firms, Halal training partners, local and international public institutions, Islamic banks, etc.

Driven by global, regional and local strategic service partners
